Smoke Alarm Installation Request

- **The smoke alarm and installation program is limited to residents within the borders of the Lake Villa Fire Protection District.**
- **Requests are handled on a first come first serve basis while supplies last and exclude rental properties.**
- **A waiver will be signed by the resident prior to installation taking place. Refusal of waiver will cancel the installation appointment and no detector shall be issued.**
- **No work related to electrical hardwiring will be accepted.**
- **A home safety inspection will be offered by fire department personnel but is not required.**
- **Installation appointments can be made based on the availability of the fire department every Friday from the hours of 9AM-3PM.**
- **Please email your request to jbiggs@lakevillafpd.com**
